

3100 mAh car charger with 2 USB outputs

SKU: TECR2USB31AFast

3100 mAh battery charger with two USB outputs (1 A – 2.1 A)

Recharging your devices in the car has never been so easy thanks to this compact **3100 mAh battery charger** with its ergonomic design.

Through the **two universal USB outputs (1A – 2.1A)**, you can quickly and easily power your smartphone and tablet.

Simply plug the charger connector into your car cigarette lighter and then connect two devices to the USB outputs **at the same time**.

The **Intelligent Charge technology** allows the charger to supply the connected device with the maximum recharge in the shortest possible time.

After only 30 minutes of charge, the energy level of your device will already be at **50%**.

This car charger is the ideal accessory to carry with you at all times, **to face any situation**.
