WHY CHOOSE IT?

This **Selfie Mini Telescopic Boom** is the perfect accessory for taking great pictures. Thanks to its **compact size**, it is highly portable so you can take it out wherever you go and capture snapshots of your life at any time.

CLICK THE PERFECT SELFIE

It's easy to use this selfie stick: it simply connects to your smartphone with the **universal 3.5mm jack** cable provided. You need to download the dedicated **Go Selfie app**, then you can share your images with your friends and on social networks. You simply need to press the button on the handle and start having fun.

HIGHLY PORTABLE AND EASY TO CARRY

When folded the selfie pole is **only 20 cm long**, so it's easily carried in bags or backpacks. The stick is very light and **extends up to 50cm**.

FEATURES:

- Measures only 20cm when folded
- Extendable up to 50cm
- 3.5 mm jack connection supplied

Download the dedicated Go Selfie app for smartphones to enable photography
Suitable for Android 4.2.2 and up and IOS 5.0.1 and upwards
