

## Road Trip kit: magnetic support and adhesive ring

SKU: TESUPPTINYRINGDG

### Mid Round magnetic support with clip for the air conditioning vents, adhesive ring for smartphone with brushed metal finish

#### TWO BODIES, ONE SOUL

The **Mid Round** magnetic support for inside your car, and the **adhesive ring** for your smartphone are two complementary products. This Road Trip Kit combines two products that are perfect for you if you love to travel in your car and stop to immortalize the best moments. Actually, when you have finished taking **selfies and perfect photos**, you can immediately attach your phone onto the dashboard without having to take off the ring.

#### ENJOYMENT

The adhesive ring is easy to attach: all you have to do is peel off the film and then place the accessory on your smartphone. Thanks to this product, you can take pictures using just one hand: your **grip will be secure** and you will be done with blurred images once and for all. Furthermore, the elegant finish in brushed metal makes it a trendy and sophisticated item.

#### SAFETY AND PRACTICALITY

Mid Round attaches onto the air conditioning vents of your car with a handy clip. Thanks to the magnets of this support you can attach your smartphone with the adhesive ring. This way you can always keep track of street maps and incoming calls.
